PEDRO HENRIQUES

SOLID STATE DRIVE

September 24 – November 19

Opening Reception: Saturday, September 24, 6pm

Pedro Alfacinha
Lisboa

the horizon descends in a clinical fog
in the path of body dissolution there is intact ergonomics
frictionless, we mould somnambulous peripherals
one hears the echo of a tooth cavity, of a vertebra
with fasting comes the habitable space
the nervous system is now a desert where we can go for a walk

Galeria Pedro Alfacinha proudly presents *Solid State Drive*, new works by Pedro Henriques.

Pedro Henriques (1985) lives in Lisbon.
His work has been shown regularly since 2008 and he is the author of two books, both titled *Sidewinder* (2013 and 2015).
